OPEN MEETINGS: As the term suggests, meetings of this type are open to alcoholics and their families and to anyone interested in solving a personal drinking problem or helping someone else to solve such a problem.

Most open meetings follow a more or less set pattern, although distinctive variations have developed in some areas. A chairperson describes the A.A. program briefly for the benefit of newcomers in the audience and introduces one, two, or three speakers who relate their personal drinking histories and may give their personal interpretation of A.A.

Midway through the meeting there is usually a period of local A.A. announcements, and a treasurer passes the hat to defray costs of meeting hall, literature, and incidental expenses. The meeting adjourns, often followed by informal visiting over coffee or other light refreshments.

Guests at A.A. open meetings are reminded that any opinions or interpretations they may hear are solely those of the speaker involved. All members are free to interpret the recovery program in their own terms, but none can speak for the local group or A.A. as a whole.

CLOSED MEETINGS: These meetings are limited to alcoholics. They provide an opportunity for members to share with one another on problems related to drinking patterns and attempts to achieve stable sobriety. They also permit detailed discussion of various elements in the recovery program.

***God, grant me the serenity to accept the things I cannot change,
Courage to change the things I can,
and Wisdom to know the difference.***

Living ONE DAY AT A TIME; Enjoying one moment at a time;

Accepting hardship as the pathway to peace.

Taking, as He did, this sinful world as it is, not as I would have it.

Trusting that He will make all things right if I surrender to His Will;

That I may be reasonably happy in this life,

and supremely happy with Him forever in the next. Amen.

*Self-support begins with me, because I am part of us — the group. We support our Syracuse Intergroup Service Center, General Service Office, Syracuse GSR Workshop and CNY Area Committee. If it were not for those entities, many new people would never discover the miracles of A.A. In the spirit of participation, **no contribution can be too small** toward carrying the message. Suggested group conscience for distribution of excess funds:*
